Russian Battalion of Death.

Mrs. J. E. H. Lynchburg.—The Russian Women's Estation, the Battalion of Death, was organized by Colonel Moria Leonteva Bolchkarova. The organization was composed of girls heticen Is and 26 years old for the most mart. Mme. Botchkarova was of the Deasant class of Kussia. After her nusbund was killed he received permission from the Car of Russia to 300 a reg ment of men soldiers. She was wounded while fighting with this edgment and returned to the interior soon after her receively she organized the Battalion of Jeath. The social status of the hettalion was higher than some might expect. It ushters of noblemen or avowed arstocrats, many graduates of the higher academies and secondary schools. The physical tests and other requirements were severe. Less than 200 out of a possible Lose qualified for enlistment. The battalion won its fame on the Minsk front in Russia. Out of 260 members who took part in the fighting here only four came out of it. When Mme Botch-turova was in America she acknowledged the battalion was a failure. She said: "I am keenly disappointed in women as soldiers. I do not ay the because of their physical endurance My darfallon had women as strong as men But I say it because women will not battalion had women as strong as men. But I say it because women will not stand discipline. They cannot forget personalities long enough to take commands impersonally for the sake of a sommon objective."

"Wings of the Morning."

A fierce battle, single-handed, with a tribe of pirates is one of the big features in the William Farnum photograma, "Wings of the Morning." which will be presented for the last time at the Odeon Theater tonight. This and the shipwreck scenes are sufficient alone to make this motion picture live long in the memory of those who see it.

Milks Emulsion cleanses the stomach and howels of all impurities, restoring healthy natural bowel action and doing away with all need of pills and physics. It corrects the digestive organs and improves the appetite. Thus it helps nature to build up the blood and tissue and to strengthen the throat, stomach and bowels. As a builder of flesh and strength. Milks Emulsion is strongly recommended to those whom sickness has weakened, and is a now-reful aid in resisting and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day. This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. BRAINARD HELD GUILTY OF PUBLISHING OBSCENE BOOK

President of Harper Firm, Now Stiting on Special Grand Jury, Is Him-self Convicted. I By Universal Service. 1 NEW YORK, Jan. 23.—Clinton Tyler Brainard, president of the Harper & Brother publishing firm, was convicted today on the charge of publishing an obscene book.

an obscene book.

The firm itself also was convicted in General Sessions by Justices Metnerney, Vorhis and Hermann. Imprisonment as well as a fine may be meted out in punishment. Sentence was deforred pending further investigation, and Brainard's \$500 bail was continued.

and Brainard's \$500 bail was continued.

Mr. Brainard's lawyer asked for dismissal of the case on the ground that books published by Harper & Brother are selected by a "literary conference" with which the president has no direct connection, and that he personally knew nothing of the book in question prior to the preferment of the charge.

Mr. Brainard has been sitting many weeks as a member of the extraordinary grand jury, whose promised exposure of "The Overshadowing Crime" has not yet been fulfilled.
